

PCCUS

PAKISTANI CHAMBER OF COMMERCE - USA

02 - About Us

Pakistani Chamber of Commerce in USA (PCCUS)

The Pakistani Chamber of Commerce in USA (PCCUS) was established in April 2026 in Syosset, NY with a clear and powerful mission: to strengthen and expand the relationship between the United States of America and Pakistan through trade, business collaboration, economic development, education, tourism, and cultural exchange.

PCCUS serves as a dynamic platform dedicated to building stronger ties between both nations by connecting business leaders, entrepreneurs, investors, professionals, exporters, importers, educators, and community stakeholders. Our goal is to create meaningful opportunities that benefit the people and economies of both the USA and Pakistan.

At PCCUS, we believe that strong bilateral relationships are built through commerce, innovation, mutual respect, and shared prosperity. We are committed to promoting the products, services, industries, and business potential of both countries while also addressing important issues that impact economic growth, international trade, and cross-border partnerships.

Our Mission

To foster and promote USA–Pakistan relations by encouraging cooperation in:

- Trade and Commerce
- Business Development and Investment
- Economic Growth and Partnerships

- Education and Professional Exchange
- Tourism and Cultural Promotion
- Product Promotion and Market Access
- Policy Awareness and Business Advocacy

Our Purpose

The Pakistani Chamber of Commerce in USA was founded to:

- Create stronger economic and trade relations between the United States and Pakistan
- Promote Pakistani products and services in the American market
- Promote American products and services in Pakistan
- Encourage joint ventures, investments, and business partnerships
- Highlight and address important business and economic issues affecting both countries
- Support entrepreneurs and companies seeking cross-border opportunities
- Build bridges in education, tourism, innovation, and professional networking
- Strengthen people-to-people relationships through commerce and collaboration

Our Vision

Our vision is to make PCCUS a leading organization that helps shape a stronger future for USA–Pakistan business relations, while serving as a bridge for economic opportunity, innovation, education, tourism, and trade expansion between both nations.

Through our work, we aim to support a future where businesses from both countries can grow together, invest together, and succeed together.
