Message from the Chairperson

Shaheen Azam

Chairperson, Pakistani Chamber of Commerce in USA (PCCUS)

Welcome to the Pakistani Chamber of Commerce in USA (PCCUS).

It is with great pride and purpose that I welcome you to this important platform, established in April 2026 in Syosset, NY with a vision to strengthen the relationship between the United States of America and Pakistan through trade, business, economic cooperation, education, tourism, and mutual growth.

The United States and Pakistan share tremendous untapped potential. Both nations have talented entrepreneurs, innovative industries, hardworking communities, and opportunities for collaboration that can benefit millions of people. The purpose of PCCUS is to serve as a bridge between these two great countries by promoting stronger business relations, encouraging investment, highlighting products and services, and addressing the important issues that impact commerce and economic development.

As Chairperson, my goal is to build an organization that is not only professional and respected, but also truly effective in creating real opportunities for business owners, entrepreneurs, investors, exporters and importers, professionals, educational institutions, and community leaders.

PCCUS is founded on the belief that when business relationships grow, communities grow; when trade expands, opportunities expand; and when people connect, nations become stronger.

We are committed to promoting Pakistani Chamber of Commerce in USA (PCCUS)
