Shaheen Azam – Chairperson, PCCUS

Shaheen Azam is the Chairperson of the Pakistani Chamber of Commerce in USA (PCCUS), established in April 2026 with the mission of strengthening the relationship between the United States and Pakistan through trade, business, economic cooperation, education, tourism, and product promotion.

As Chairperson of PCCUS, Shaheen Azam is committed to building a strong and credible platform that connects entrepreneurs, investors, professionals, business owners, and institutions from both countries to create opportunities, strategic partnerships, and long-term prosperity.

Under her leadership, PCCUS aims to serve as a bridge for cross-border collaboration, promote the products and services of both nations, and support stronger bilateral ties through commerce, innovation, and professional engagement.
